Evacuations Ordered Due to Chemical Event at Pueblo Chemical Depot

Pueblo, CO: Pueblo County Sheriff's Office has ordered protective actions for residents living in Zone North 1 due to a chemical incident at the Pueblo Chemical Depot.

Residents in Zone North 1 are asked to evacuate immediately.

The Transportation Technology Center is advised to Shelter-in-Place. If you are in a vehicle on DOT road or in the Thatcher Ranch Area, travel away from the Pueblo Chemical Depot.

Close all windows and vents and turn off air conditioner/heater.

If evacuation is not possible, shelter-in-place is recommended.

Other areas and zones near the depot are not affected at this time.
